

Science & Management Symposium

Dear Industry Partners & Friends,

The Florida Podiatric Medical Association's annual Science & Management Symposium (SAM) will return to Disney's Coronado Springs Resort for SAM 2025, taking place January 29 - February 2, 2025 in Lake Buena Vista, Florida. We invite you to join us for this exceptional event where cutting-edge knowledge, innovation, and camaraderie will converge for an unforgettable experience.

For our valued vendors, we offer an exceptional opportunity to showcase your products and services in a conducive and beneficial environment. The exhibit hall at SAM has been designed for your success in mind. We have strategically scheduled long lunch breaks in the SAM 2025 exhibit hall, providing ample time for conference attendees to explore the exhibit hall fully. This means you will have extended interactions with potential customers, fostering meaningful connections that can translate into lasting partnerships.

It's worth mentioning that this year's SAM is exclusively a live event, with no virtual component. We understand the value of face-to-face interactions and the unparalleled benefits that can be achieved through in-person networking. This decision was made in response to overwhelming feedback from past attendees who have praised the efficacy of live meetings in fostering professional growth and collaboration.

SAM 2025 is projected to host over 900 Podiatric Physicians, along with more than 400 Assistants (Podiatric X-Ray Assistants and Podiatric Medical Assistants). This diverse and dynamic audience represents a prime opportunity for vendors to connect with the leading minds in the field of podiatry. The event promises to bring together professionals from various specialties, providing you with a unique chance to showcase your products and services to a highly receptive and influential audience.

For the majority of FPMA members, attendance of FPMA educational conferences like this one is a complimentary service and benefit of membership. It is also an opportunity for both FPMA members and non-members to earn continuing education contact hours (CECH) while mingling with colleagues and fellow alums.

As we converge on Disney's Coronado Springs Resort for SAM 2025, we encourage our esteemed vendors to seize this unparalleled opportunity to elevate their brands, forge new alliances, and make a lasting impact in the field of podiatry. Your participation is vital to the success of SAM, and we eagerly anticipate your presence in the exhibit hall.

Let us unite in knowledge, innovation, and collaboration at SAM 2025, forging a future that advances podiatric medicine and enhances patient care. We look forward to welcoming you all to this enriching experience that promises to shape the future of podiatric medicine.

Sincerely,

Drs. Dennis Frisch and Rob Frimmel
